

TRAFFIC LANE CLEANER

DESCRIPTION

Traffic Lane Cleaner is a concentrated, low foam carpet cleaner specially designed for safe and efficient removal of stains and soils on heavy traffic spot of natural and synthetic carpets.

FEATURES

- Highly concentrated
- Strong penetrating action that provides effective removal of soils and stains.
- Effective in cleaning off spot stains of coffee, grease oil, urine, pet stains etc.
- Gives pleasant citrus odour
- Economical in use
- No rinse is required

APPLICATIONS & USE

1. Before using **Traffic Lane Cleaner**, apply the dry vacuum to remove surface litter and dust. Make a preliminary test applying a small amount of the cleaner onto an inconspicuous part of the carpet to avoid de-coloration which may be caused by the cleaning action.

2. Make dilute solution of **Traffic Lane Cleaner** with plain water. The recommended dilution rate is 1 part **Traffic Lane Cleaner** to 5-10 parts of water.

3. Saturate spot with Traffic Lane Cleaner. Always start cleaning from the outside of the spot and work toward the centre to avoid spreading the stain.

4. Keep the site well ventilated and close the area to public. Allow to work for 5-10 minutes (depending on type of stains)

5. Applied with agitation then clean off with a wet cloth and blot dry with a dry tower.

TECHNICAL SPECIFICATION

Appearance	: Green Liquid
Odour	: Mild Lime
Boiling Point	: 100°C
Specific Gravity	: Approx. 1.05 @ 25°C
pH (10% Sol)	: 8.5 ± 0.5
