

MAGIC JET

Description

Magic Jet is a multi-purpose cleaner specially formulated for use in household kitchens. It has strong degreasing power that can remove the most stubborn oily soils from cooking hoods, ovens, stoves, and other cooking utensils. It is also suitable for use to clean kitchen walls and floors as well as for degreasing of automobile parts.

Magic Jet is blended with natural hydrocarbon, surfactants and penetrant that rapidly dislodge and reduce carbonaceous soils, gelled oils, corrosion preventatives, stains, streaks and grease masses into easily rinsed particles.

Magic Jet is incorporated with a unique natural fragrance that deodorises your home after each clean!

Application and Use

Magic Jet is a multi-purpose cleaner with a pleasant citrus wintergreen odour and contains self-splitting emulsifiers. The major advantage of **Magic Jet** lies in its cleaning performance and versatility. Ideal for cleaning of oils and grease and other stubborn soils.

Application: Simply lift hinge nozzle cover and hold sprayer 6-8 inches away from soiled surface, spray area and wipe with paper towel or lint free cloth. Close cover after use.
