

AIR - CON COIL CLEANER

DESCRIPTION

AIR - CON COIL CLEANER is specially compounded to provide effective, high power emulsion cleaning with pleasant odour. **AIR - CON COIL CLEANER** quickly removes heavy build-ups of grease, oil, carbon, and stubborn caked-on soils with no harmful effect on the users.

FEATURES & BENEFITS

- Ready for use.
- Can be used in spray, foam, brush or dip applications, and water rinsed.
- Extremely cost effective.
- High level of safety to the operator, equipment and marine life.
- Does not contain hazardous petroleum hydrocarbons
- Biodegradable nature allows easy disposal.

APPLICATION AND USE

AIR - CON COIL CLEANER may be applied undiluted by brushing, wiping or spraying. Then hose off with fresh or sea water.

AIR - CON COIL CLEANER can be used as a cleaner for metals, parts and tools, painted and unpainted surfaces, decks, bulkheads, machinery, engines and wherever grease, oil and grimy soils are a problem.

For use in cleaning tray or tank cleaning of parts, tools, etc., apply **AIR - CON COIL CLEANER** undiluted or with 2 to 4 parts of water. Soak parts until the soil is softened and rinse with water or wipe with a clean cloth.

For cleaning oil from tanks, it should be sprayed full strength on contaminated surfaces and allowed to soak in before hosed off with fresh or sea water.

TECHNICAL SPECIFICATION

Appearance	: Luminous Green
Boiling Point	: 110°C
Specific Gravity	: Approx. 1.05
Flash Point	: Above 65°C
Evaporation Rate	: Less than 1.0
Solubility in Water	: Complete

PRECAUTION

Before using **AIR - CON COIL CLEANER** always read and follow precautions and directions for use as prescribed on container label.
