

HEAVY DUTY DEGREASER

DESCRIPTION

HEAVY DUTY DEGREASER is a heavy duty degreaser, safe on all metals. It is blended with natural hydrocarbon, surfactants and penetrant specially formulated to dislodge and reduce carbonaceous soils, gelled oils, corrosion preventatives, stains, streaks and grease masses into easily rinsed particles.

FEATURES

- Biodegradable
- User friendly and environmentally safe
- Has and leave a pleasant citrus odour
- Removes soils from painted and unpainted surfaces
- Suitable for manual, spray wash or immersion
- Does not contain caustics and petroleum distillates

APPLICATIONS & USE

HEAVY DUTY DEGREASER is a heavy duty degreaser with a strong citrus odour and contains self-splitting emulsifiers. The major advantages of **HEAVY DUTY DEGREASER** lies in its cleaning performance and versatility. Ideal for cleaning oil stains and stubborn soil and carbon deposits from most surfaces.

HEAVY DUTY DEGREASER can be used concentrated or diluted depending on the soils conditions. It may be applied by rug, brush or scrub and follow with water rinse.

For the difficult to reach areas, **HEAVY DUTY DEGREASER** can be applied neat or diluted with 5-10 parts water on oil/grease surfaces. Spray the solution at low pressure on the soil surface and allow 5-15 minutes before rinsing off with water.

TECHNICAL SPECIFICATION

Appearance	: Clear green liquid
Odour	: Citrus wintergreen
Boiling Point	: 100°C
Specific Gravity	: 1.01 @ 20°C
Flash Point	: Above 65°C
Evaporation Rate	: Less than 1.0
Solubility in Water	: Emulsifies

PRECAUTION

Use with adequate ventilation. Avoid prolonged contact with skin. Before using **HEAVY DUTY DEGREASER**, always read precaution and handling procedures as prescribed on container label.
